

Dr.phil. Cerstin Mahlow

Education

- Ph.D. in Computational Linguistics** [2011]
University of Zurich, thesis: *Linguistisch unterstütztes Redigieren: Konzept und exemplarische Umsetzung basierend auf interaktiven computerlinguistischen Ressourcen*
- E-Learning Certificate** [2003]
Interuniversity qualification program of ETH, UZH, and PHZH, 15 ECTS credits
- M.A. in Computational Linguistics, Spanish Linguistics and Literature, and Political Science** [2001]
Friedrich-Alexander University Erlangen-Nuremberg, thesis: *Automatische Wortformanalyse für das Spanische*

Academic Employments

- University of Bern** [since 08/2017]
Junior Fellow, Walter Benjamin Kolleg
- University of Stuttgart** [10/2016 – 03/2017]
Guest Professor in Computational Linguistics, Institute for Natural Language Processing (IMS)
- Institut für Deutsche Sprache, Mannheim** [05/2015 – 09/2016]
Senior Researcher
- University of Stuttgart** [04/2014 – 04/2015]
Coordinator CLARIN, PostDoc, Institute for Natural Language Processing (IMS)
- University of Konstanz**
Acting Professor in General and Computational Linguistics [04/2013 – 03/2014]
- University of Basel**
Senior Researcher/PostDoc, German Department [11/2010 – 03/2013]
Adjunct Lecturer, Faculty of Humanities [Spring term 2013]
- University of Zurich**
Research Assistant and Researcher, Institute of Computational Linguistics [04/2001 – 06/2007]
Adjunct Lecturer, Faculty of Arts [2003 – 2011]

Professional Employments

- University of Applied Sciences Northwestern Switzerland (FHNW)**
Senior Scientific Officer for e-learning, School of Social Work [12/2008 – 12/2010]
- University of Zurich**
E-Learning Coordinator, Faculty of Arts [10/2004 – 11/2008]

Selected Grants and Distinctions

- Short-Term Scientific Mission (STSM), COST Action IS1401 ELN** [2016]
research stay at the Department of Primary Education at the University of Patras
- Global Perspectives Programme preparing future academic leaders**, University of Basel, Virginia Tech [2013]
- Postdoc-Program**, University of Zurich [2012/2013]
Federal Program for Gender Equity at Swiss Universities
- Short-Term Mentorships Abroad**, University of Zurich [2012]
research stays at LIF-CNRS Marseille and University of Antwerp
- Runner-up Best Student Paper** at CICLing 2008 (*Linguistic Support for Revising and Editing*)
- University E-Learning Grant**, University of Zurich [2007]
- Doctoral Grant**, University of Zurich [04/2003 – 09/2004]

Membership in Scientific Networks

COST Action IS1401 (ELN)	[2014 – 2018]
Strengthening Europeans' capabilities by establishing the European Literacy Network	
COST Action IC1207 (PARSEME)	[2013 – 2017]
PARSIng and Multi-word Expressions. Towards linguistic precision and computational efficiency in NLP	
DFG Network INDUS	[2014 – 2017]
Individualisiertes Sprachlernen: Computerlinguistische Ansätze und ihre Schnittstellen	

Service to the Scientific Community

Member of the Steering Committee of the ACM Symposium on Document Engineering	[since 2016]
Member of the Management Committee COST Action IS1401 (ELN)	[2014 – 2018]
Strengthening Europeans' capabilities by establishing the European Literacy Network	
Co-Chair SIG Morphology	[since 2009]
German Society for Computational Linguistics and Language Technology (GSCL)	
Member of the Editorial Board	[since 2013]
Journal <i>Computers and Composition</i> and <i>Journal of Data Mining & Digital Humanities</i>	
Newsletter Editor SIG Writing	[since 2011]
European Association for Research on Learning and Instruction (EARLI)	
Appointed member of an Experts Panel to the Hasler Foundation (Switzerland)	[2013]
Science Peer Reviewer New Zealand Ministry of Business, Innovation & Employment	[2014]
Netherlands Organisation for Scientific Research	[2017]

Chair and Organizer of

Doctoral Consortium at ACM Symposium on Document Engineering (DocEng)	[2013 – 2016]
Workshop on Systems and Frameworks for Computational Morphology (SFCM)	[bi-annual since 2009]
Workshop on Computational Linguistics and Writing (CL&W)	[2010, 2012]

Program Committees and Reviewing for Conferences and Workshops

ACL Annual meeting of the Association for Computational Linguistics * **DocEng** ACM Symposium on Document Engineering * **CICLing** Conference on Intelligent Text Processing and Computational Linguistics * **CLA** Computational Linguistics – Applications * **GSCL** Biennial meeting of the German Society for Computational Linguistics and Language Technology * **ACRH** Workshop on Annotation of Corpora for Research in the Humanities * **TACMO** Theoretical and Computational Morphology: New Trends and Synergies, workshop at ICL 2013 * **PARSEME** Meetings of the COST Action PARSEME * **AIRS 2011** Seventh Asia Information Retrieval Societies Conference * **Ce-Learning** International Workshop on Collaboration and e-Learning * **eL&mL** International Conference on Mobile, Hybrid, and On-line Learning * **Workshop on E-Learning and Computational Linguistics** at KONVENS 2010 * **AICT** Advanced International Conference on Telecommunications * **IADIS International Conference E-Learning** * **eureleA** The European eLearning Award * **GMW** Annual Conference of the Society for Media in Science

Reviewing for Journals

Computers and Composition * **Journal for Language Technology and Computational Linguistics** * **Journal of Writing Research** * **Journal of Data Mining & Digital Humanities** * **Computational Intelligence** * **GEMA Online®** **Journal of Language Studies**

Membership in Societies and Associations

ACM Association for Computing Machinery * **ACL** Association for Computational Linguistics * **GSCL** German Society for Computational Linguistics and Language Technology * **AG DH & Informatik** of the German Informatics Society * **ISAWR** International Society for the Advancement of Writing Research * **EARLI** European Association for Research on Learning and Instruction * **GMW** Society for Media in Science
